Daddy's skirt

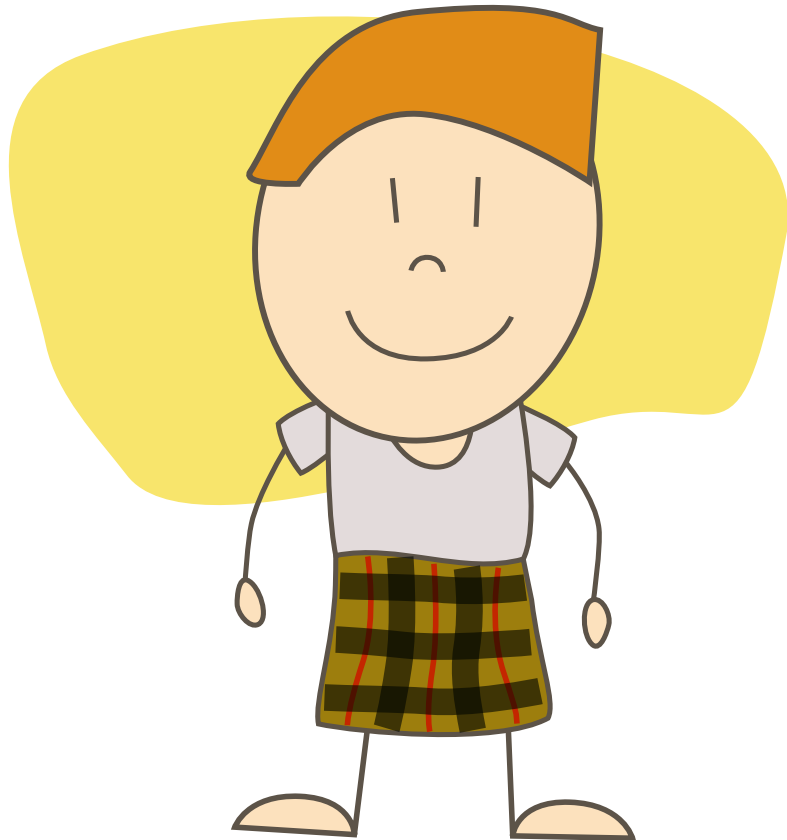

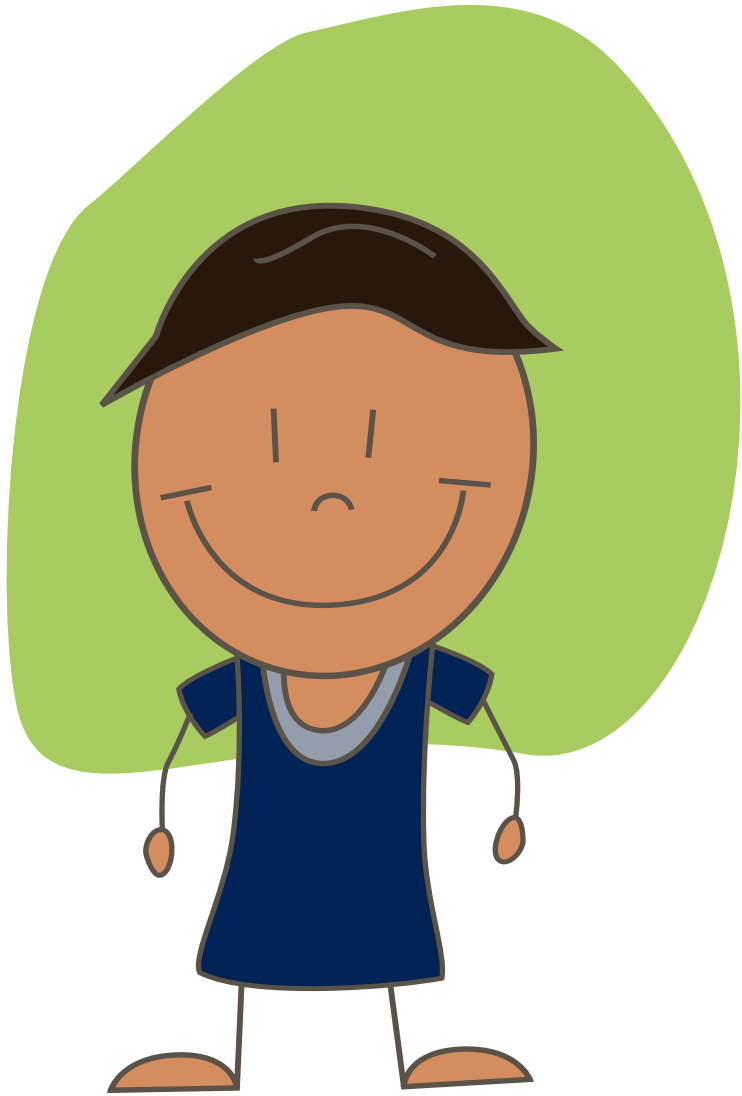

Daddy has
a nice
skirt!

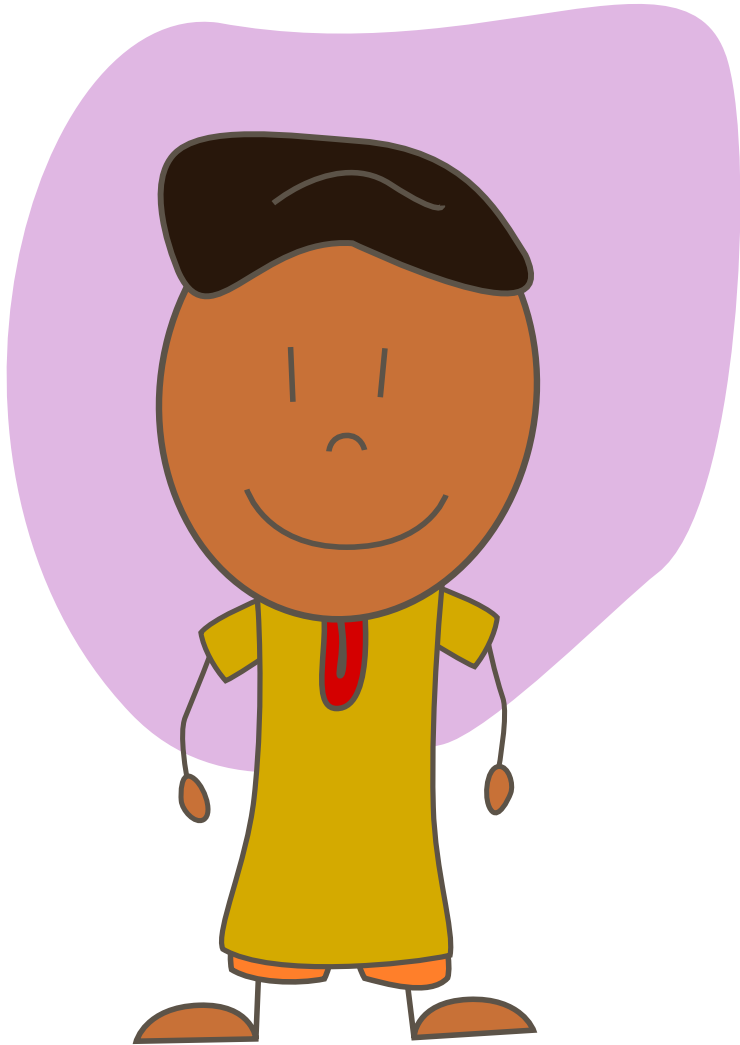

It's not a
kimono, as in
Japan,

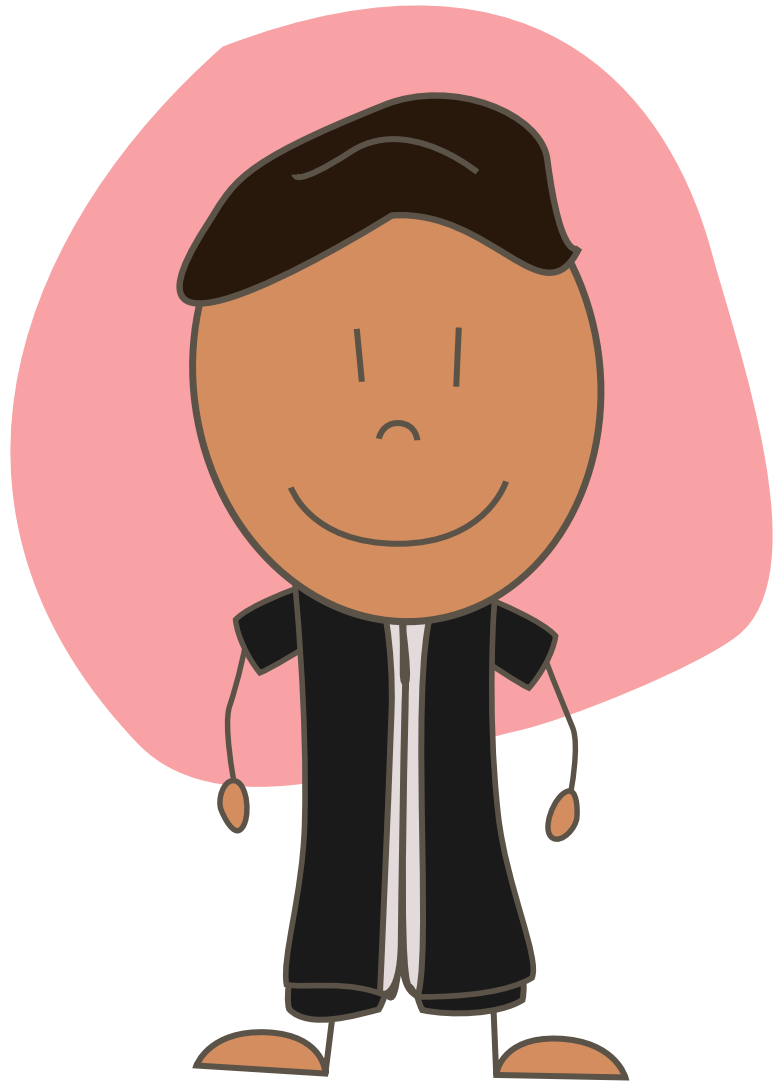

neither a kilt,
as in
Scotland,

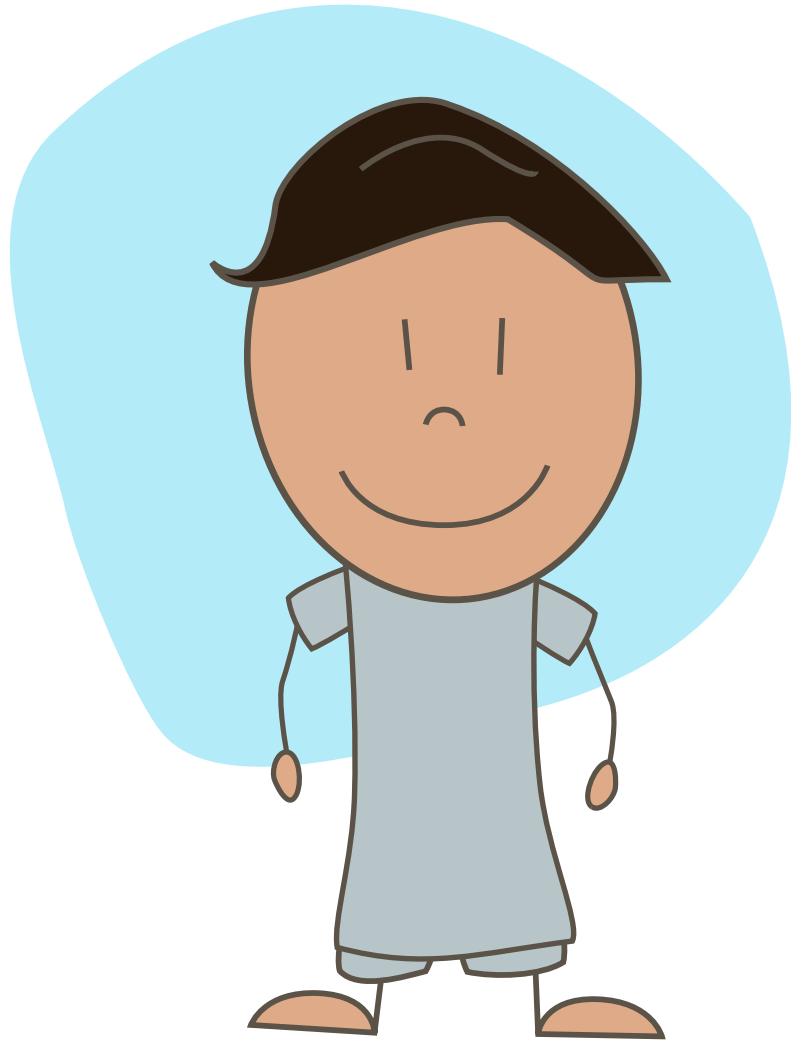

not a djellaba
either, as in
North Africa,

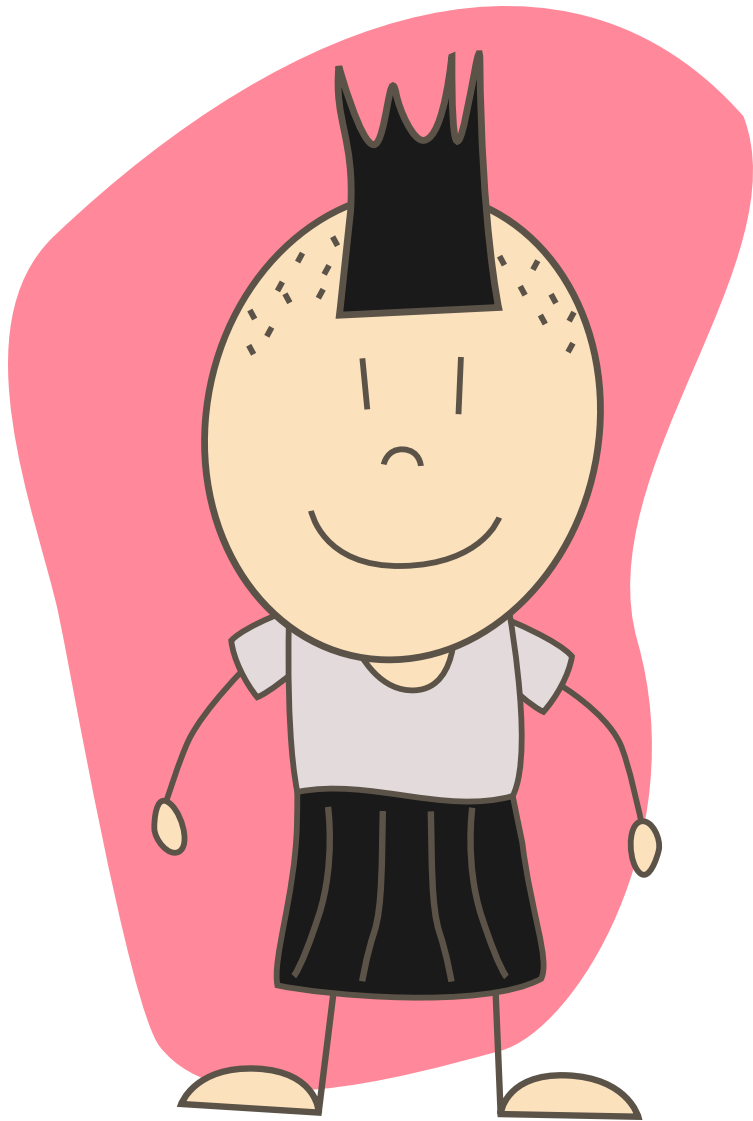

nor a sherwani,
as in India

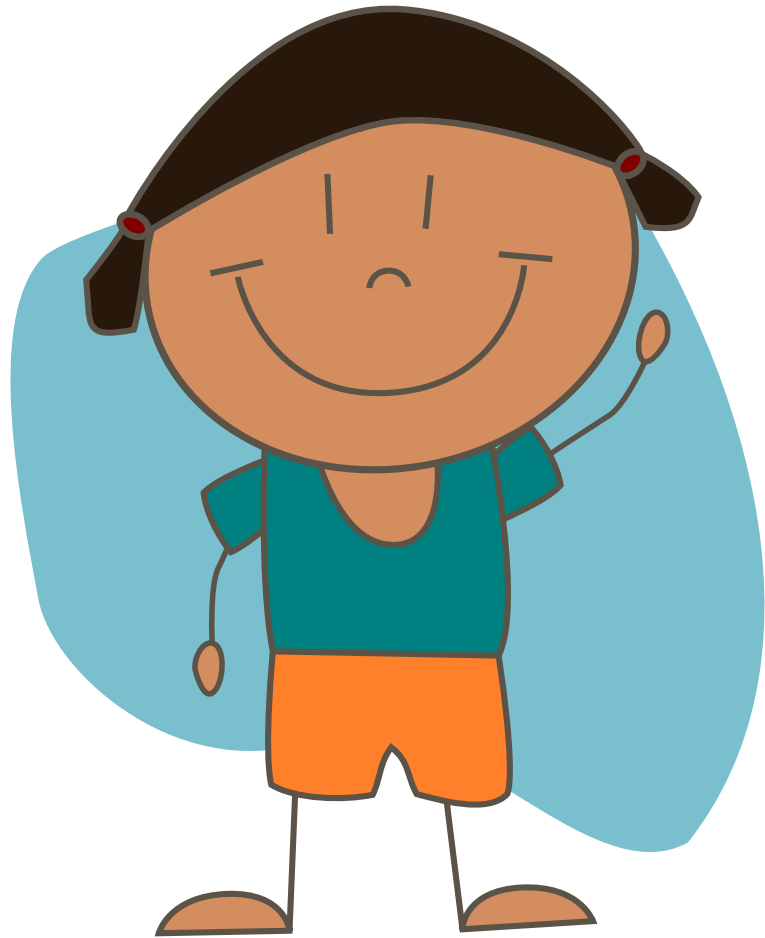

and not a caftan
either, as in the
Middle East,
Maghreb,
Central Asia,...

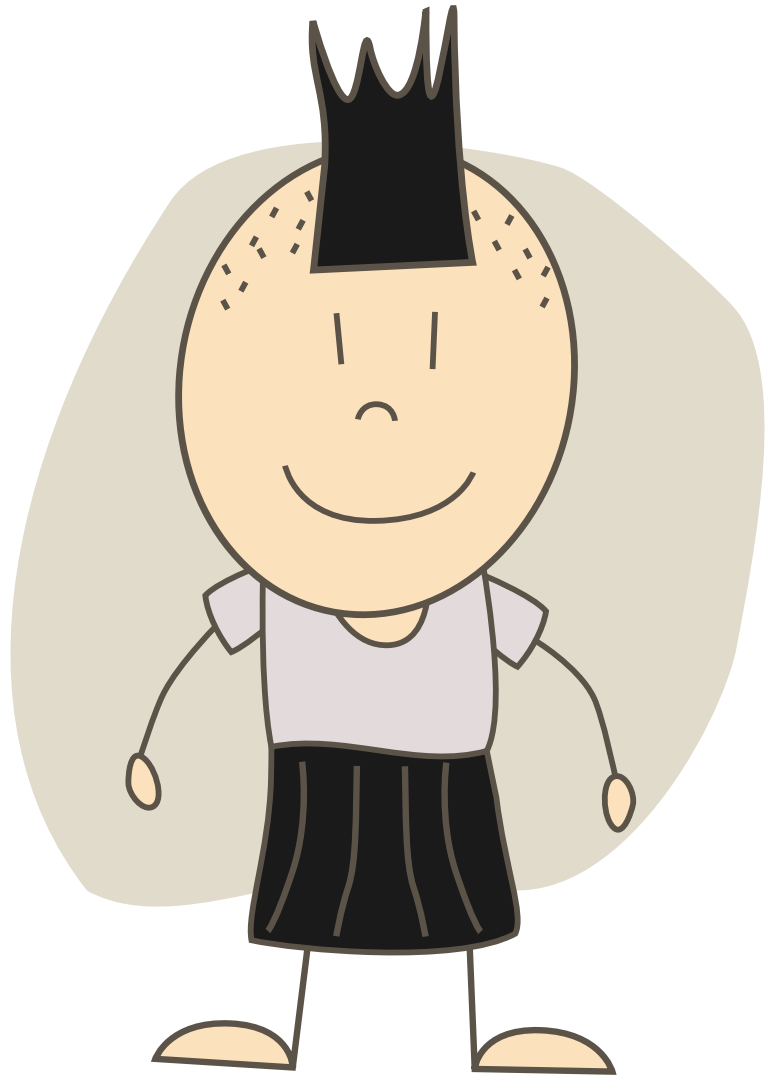

nor a perahan
tunban like in
Afghanistan.

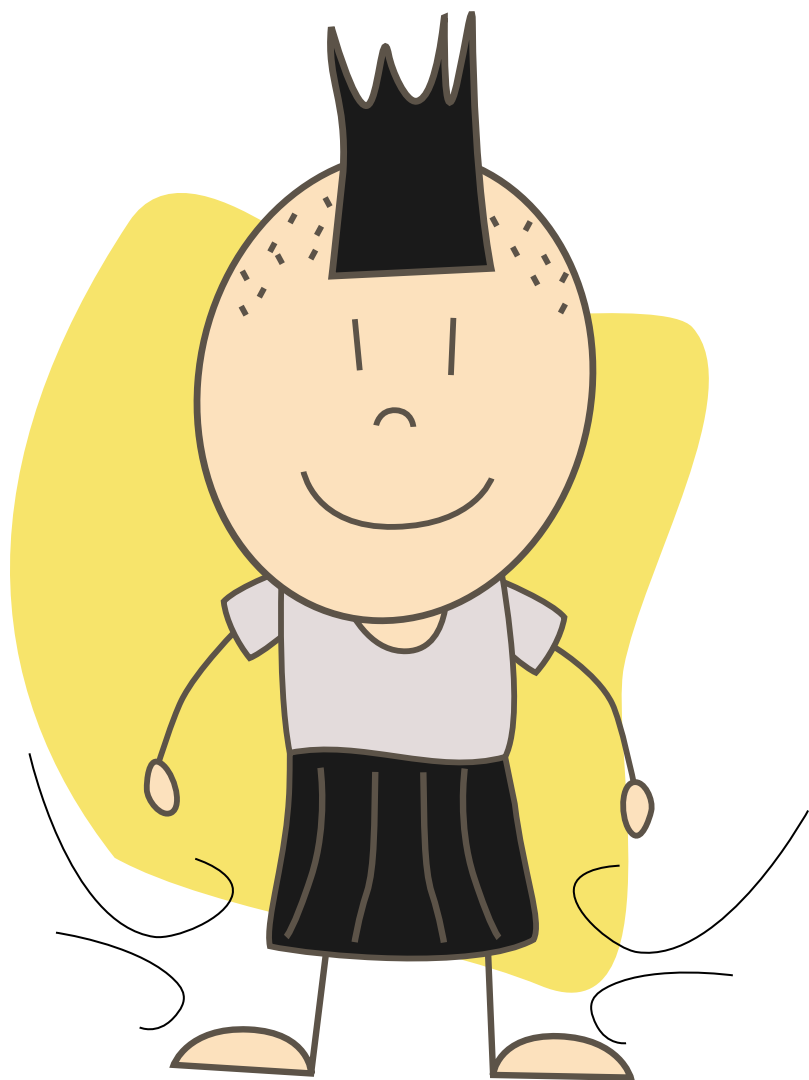

Daddy has a
nice SKIRT!

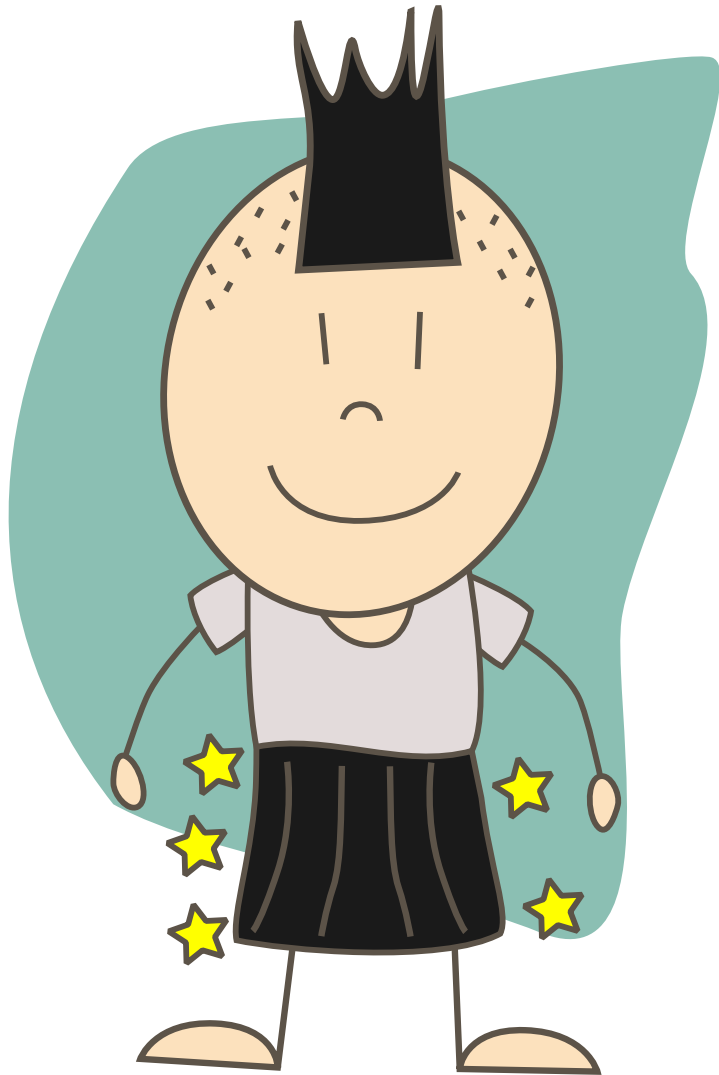

He says women
struggled to
wear pants,

so it's up to the
men to wear
skirts too!

It's fresh and light

and then,
above all, it's a
beautiful skirt!
