La gonna di papà

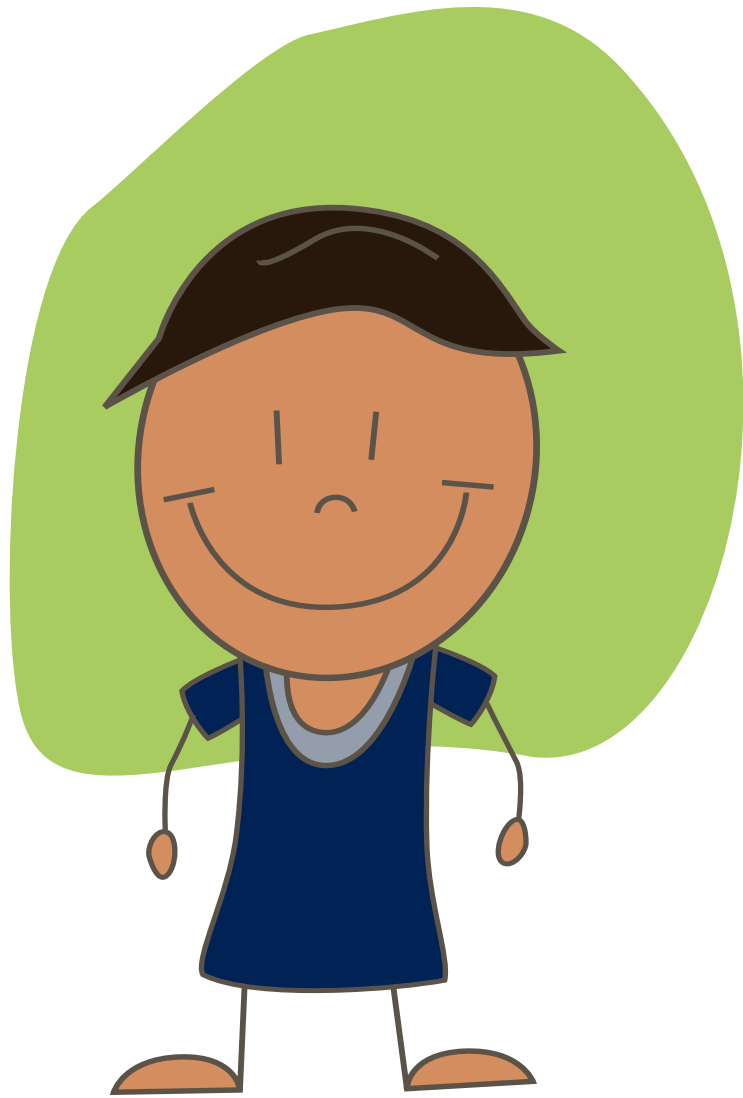

Papà ha
una bella
gonna!

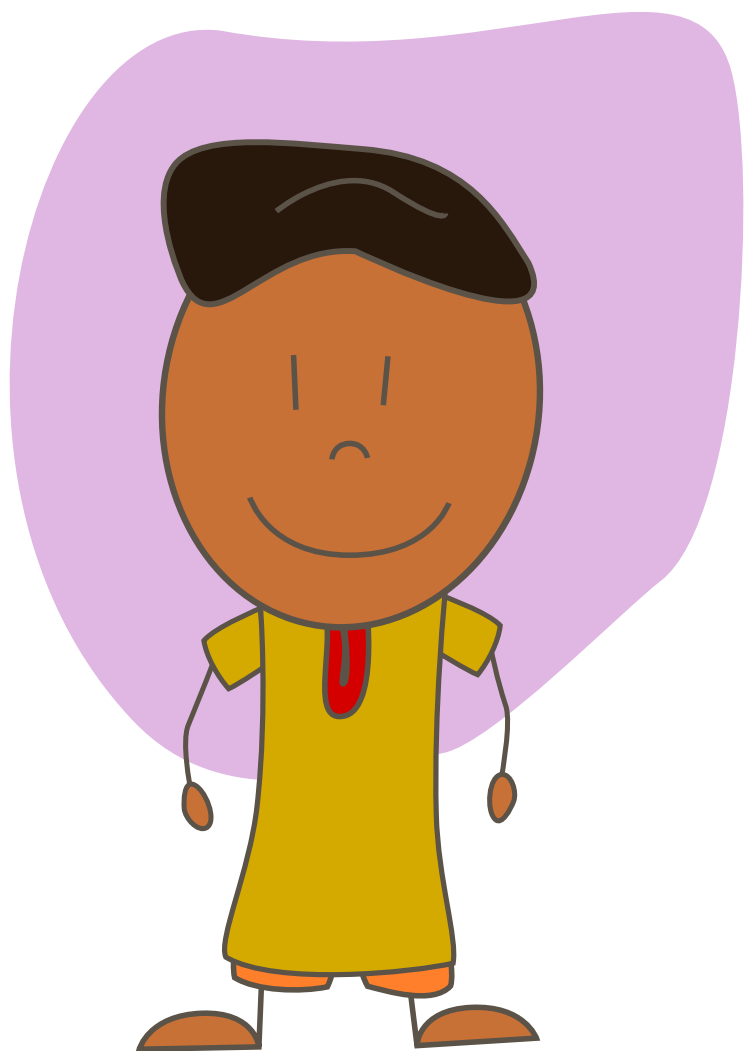

Non è un
kimono,
come in
Giappone,

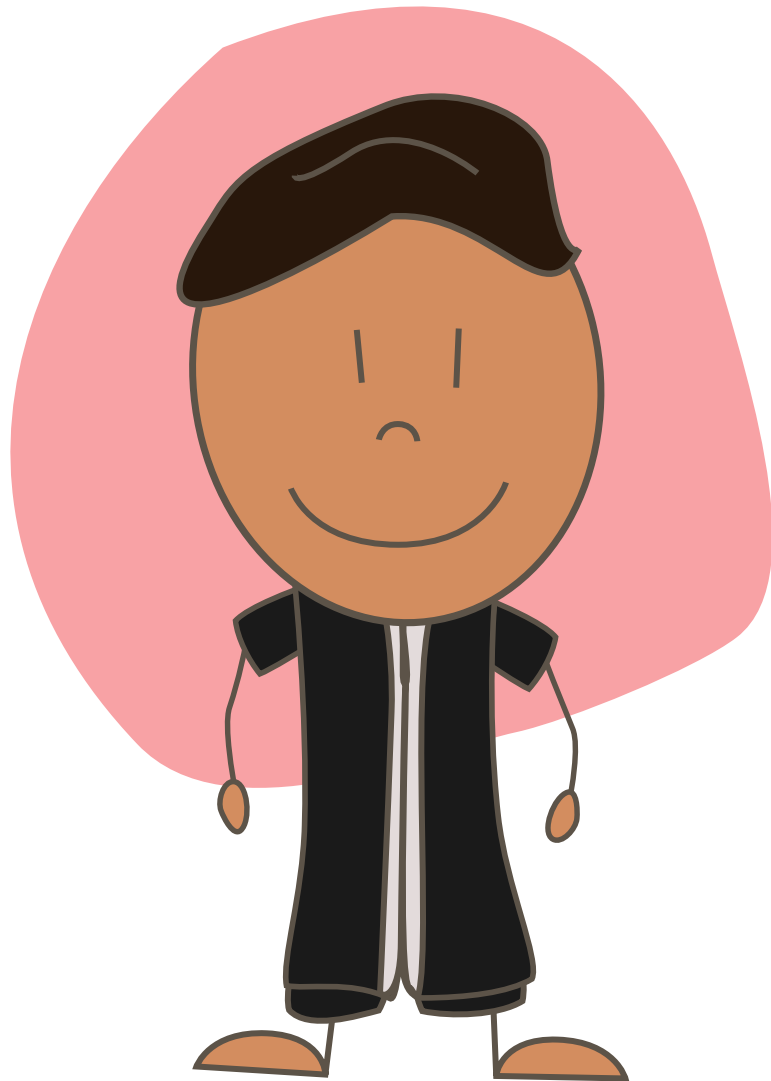

e nemmeno
un kilt, come
in Scozia,

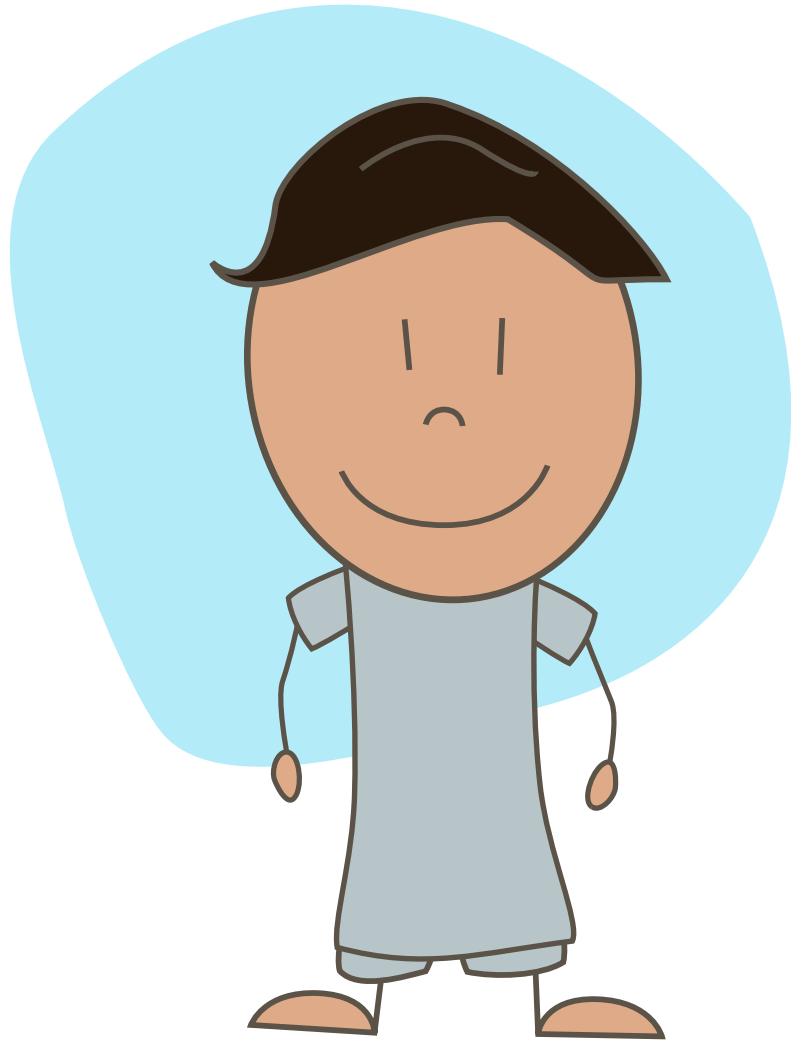

non è neanche
una djellaba,
come in Nord
Africa,

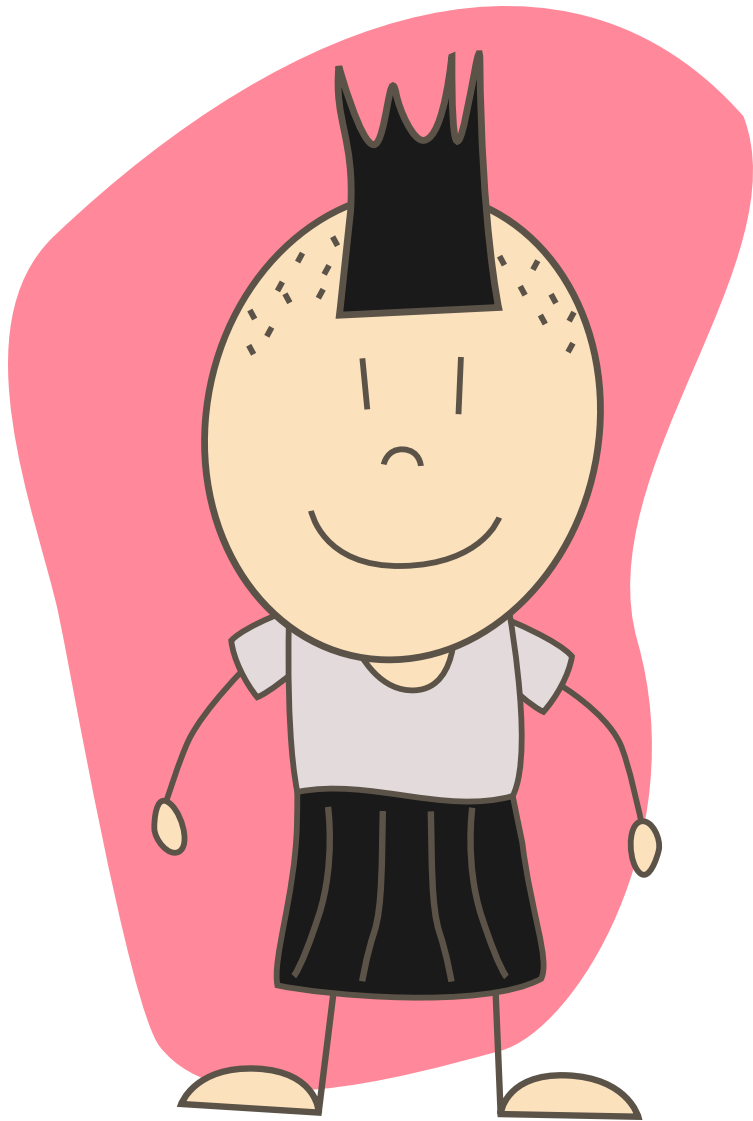

o un Sari, come
in India

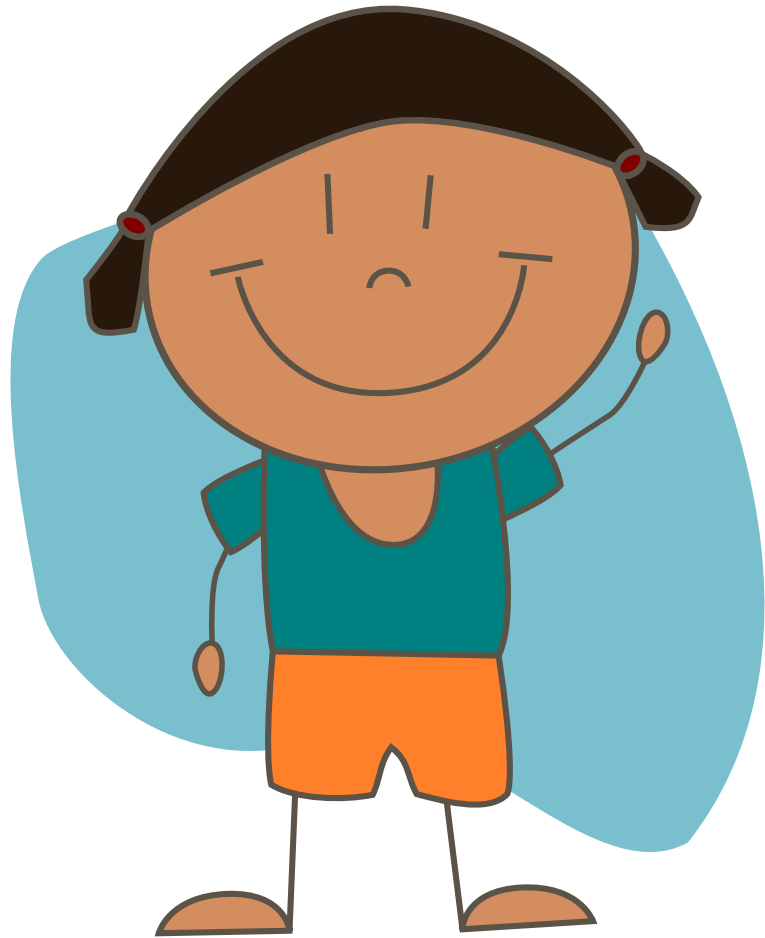

e neanche un
caftano, come
in Medio
Oriente,
Maghreb, Asia
Centrale,...

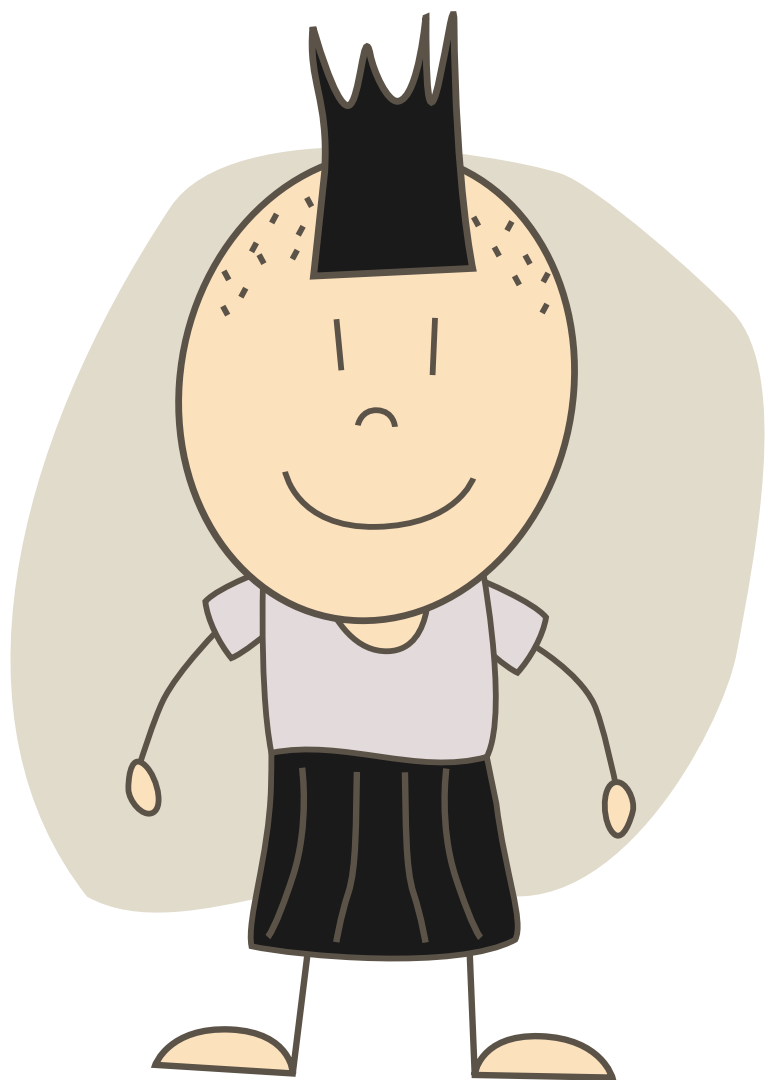

neppure una
shalwar kameez
come in Asia del
Sud.

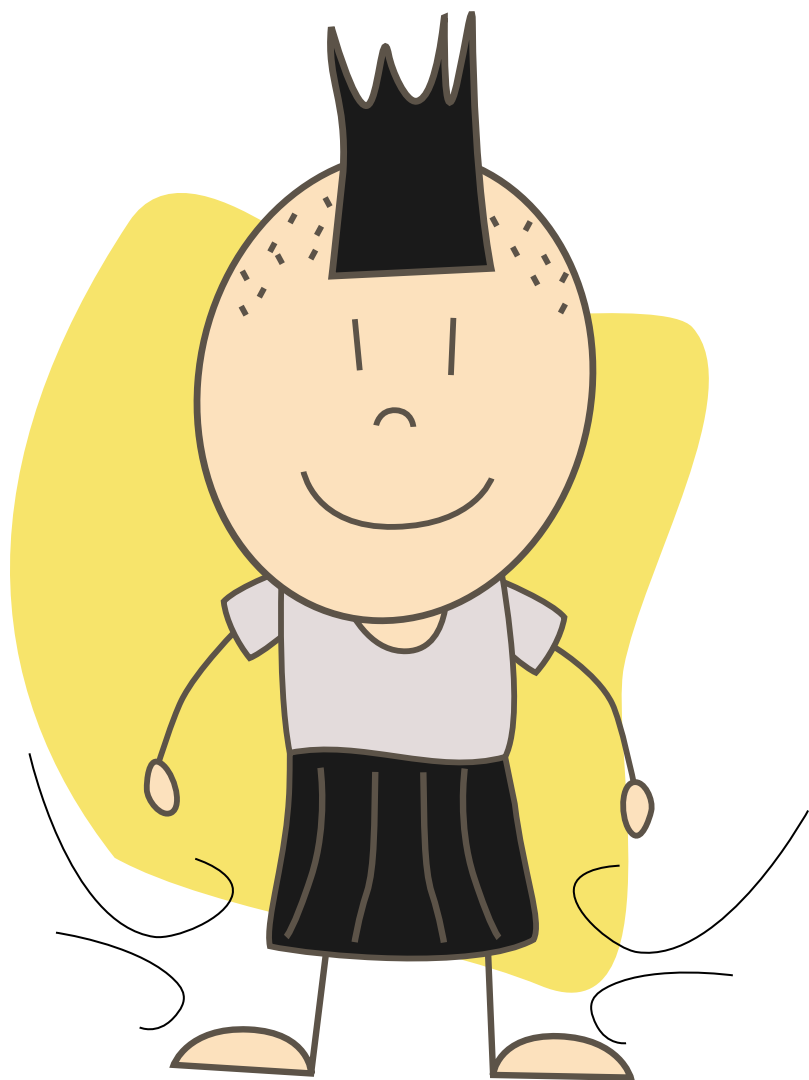

Papà ha una
bella GONNA!

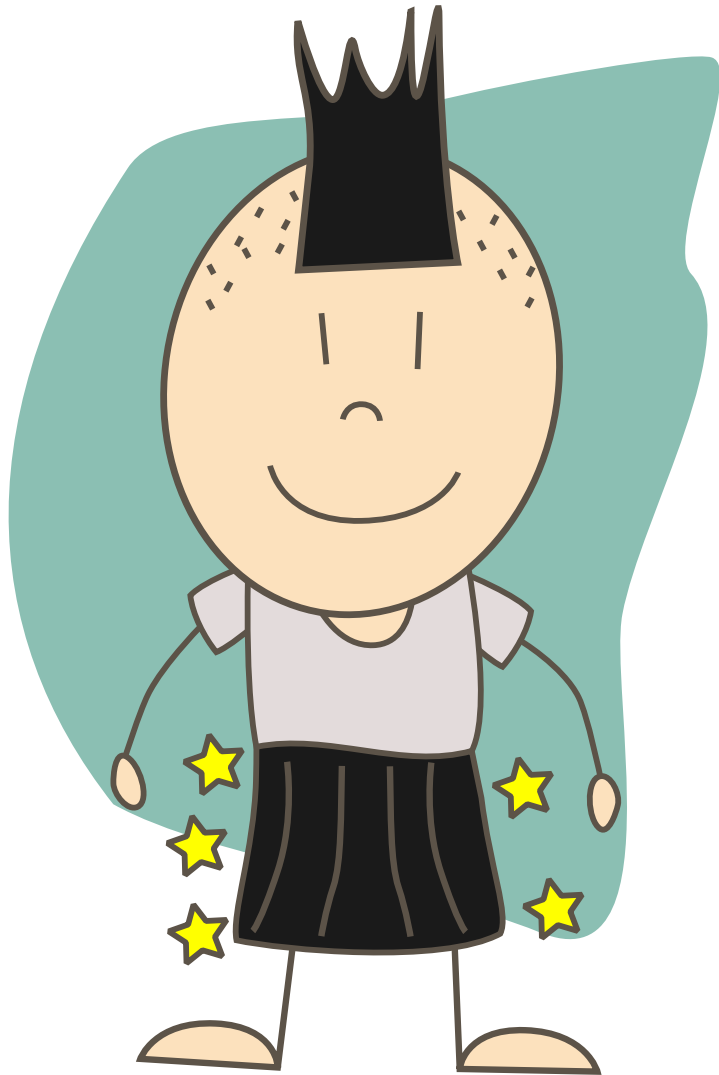

Dice che le
donne hanno
lottato per
indossare i
pantaloni,

quindi agli
uomini spetta
indossare anche
le gonne!

È fresca e leggera

e poi,
soprattutto, è
una gonna
bellissima!
