Mary is happy!

Mary is
very
happy!

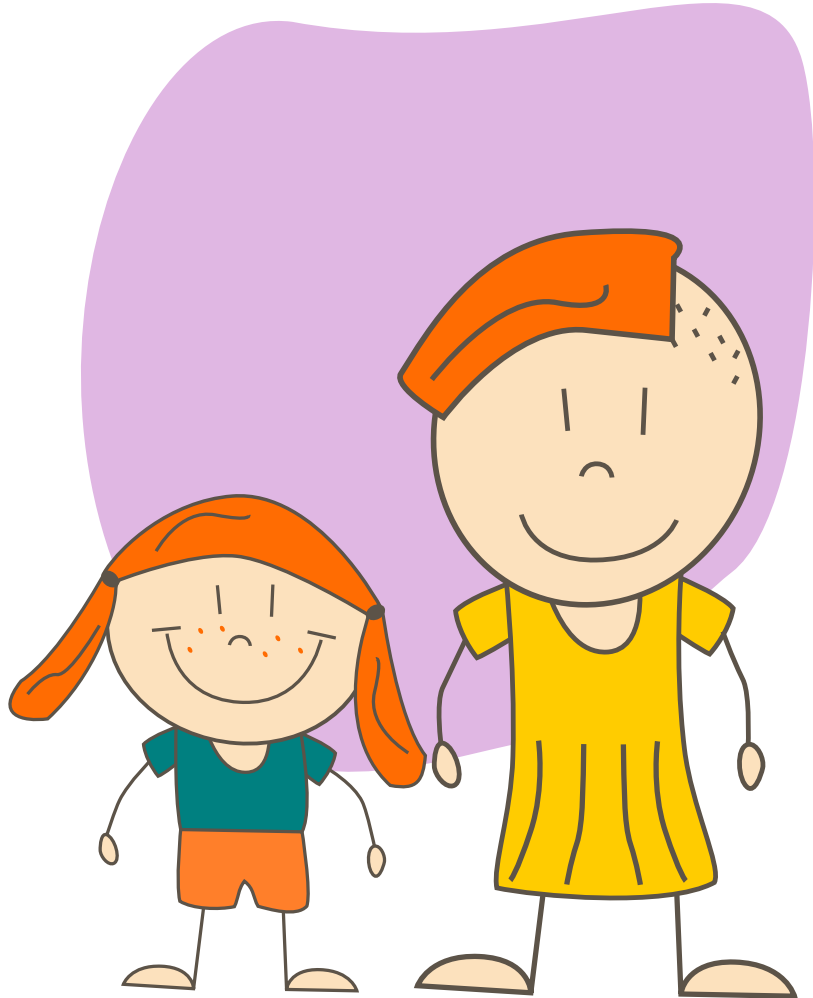

Today, her
daddy does
not work.

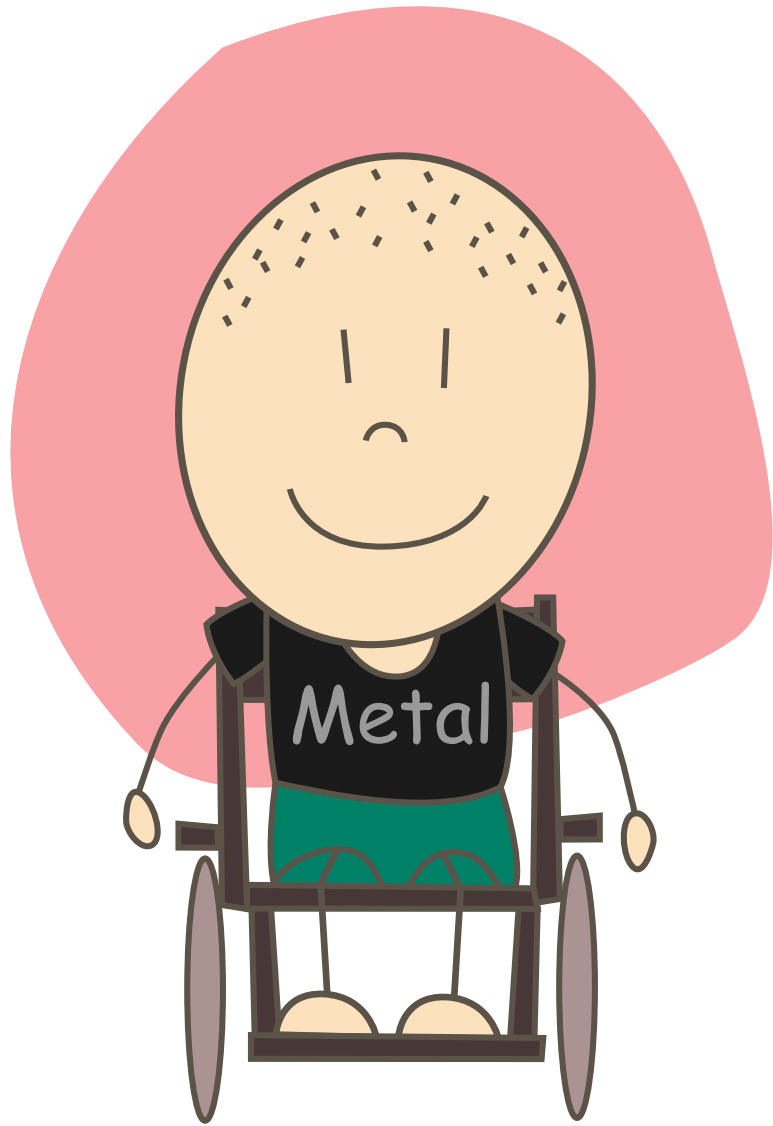

He can take
her to school.

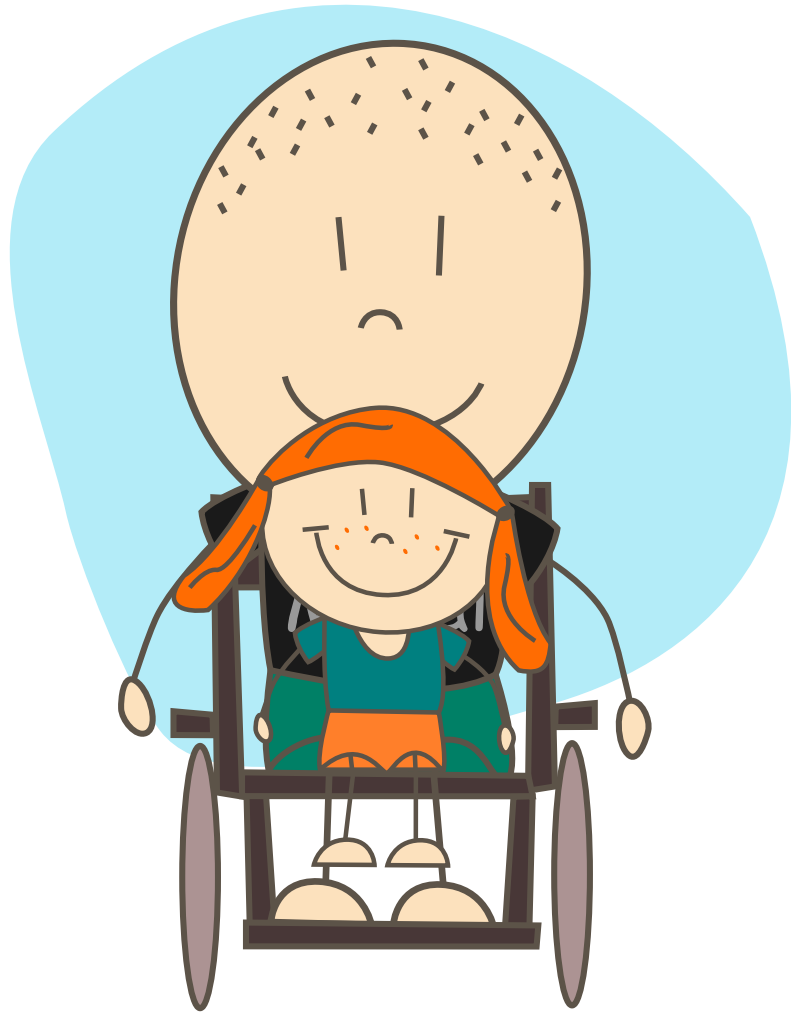

Normally, she
goes to school
with Ashley.

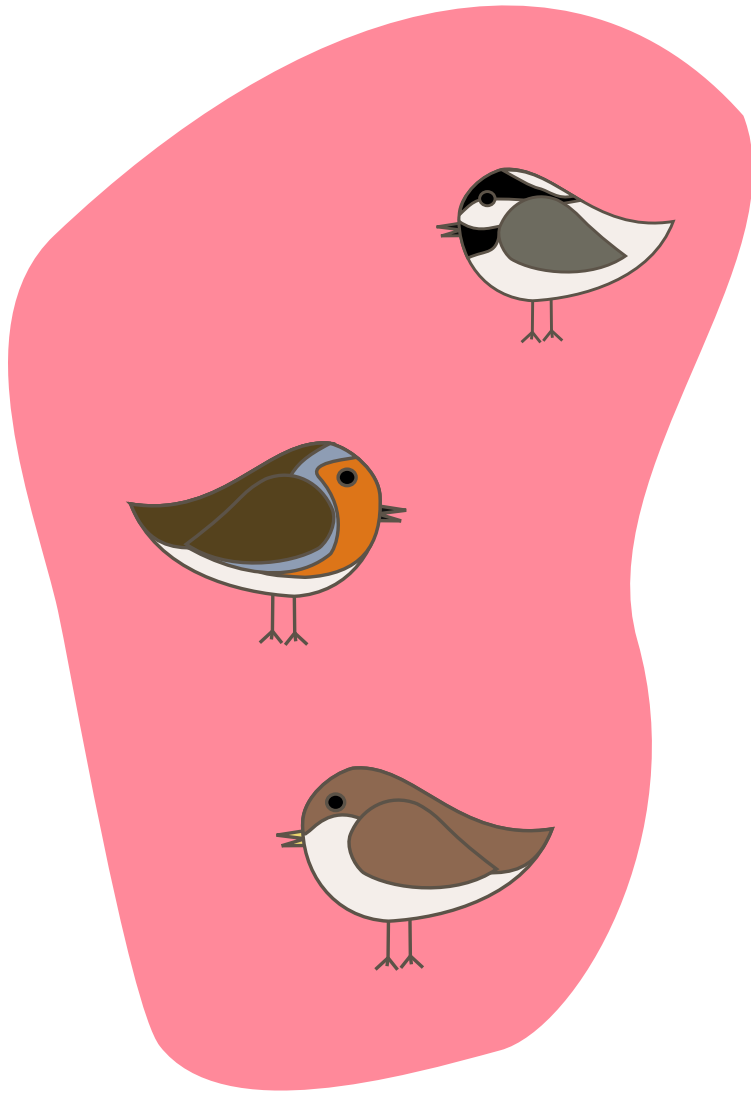

Ashley is Mary's
older sister.

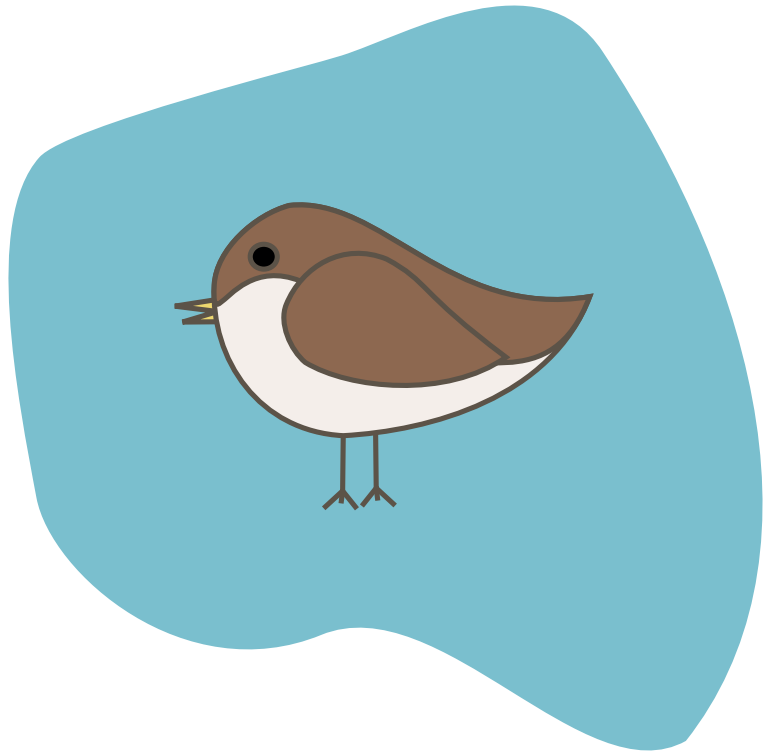

But today it's
daddy's turn!

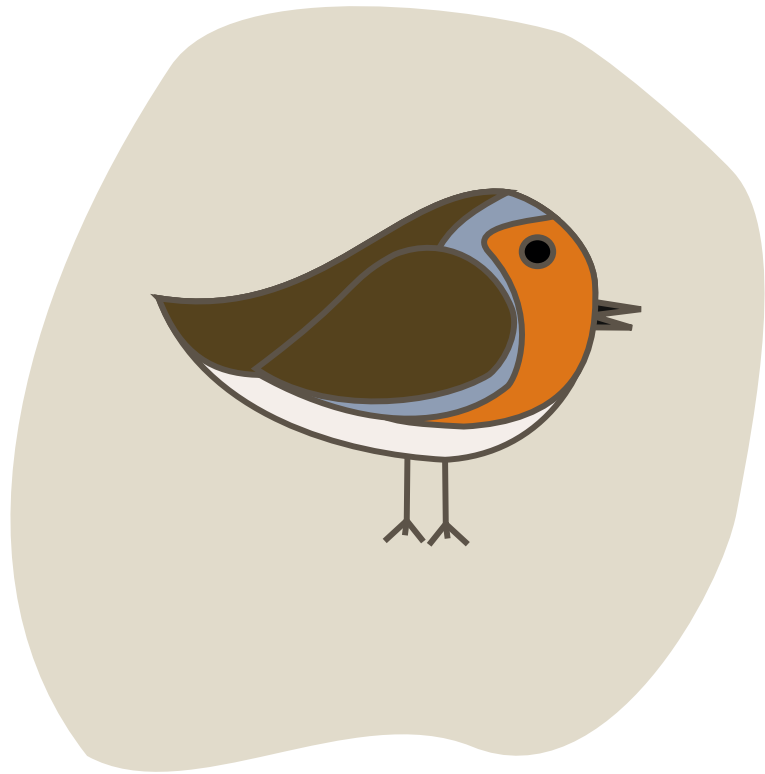

Mary likes to be
on her daddy's
lap.

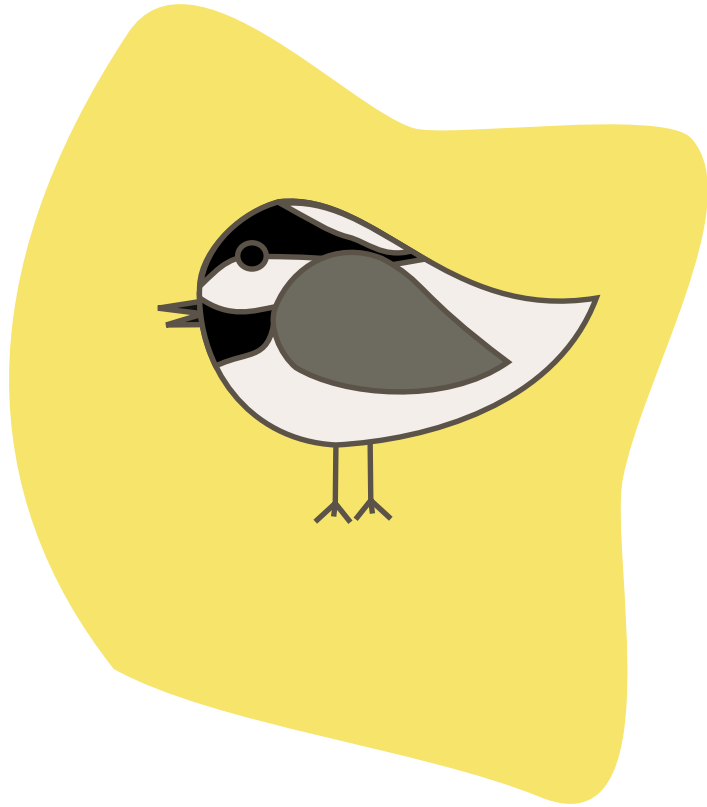

Her daddy is
very strong, he
knows the
names of all the
birds!

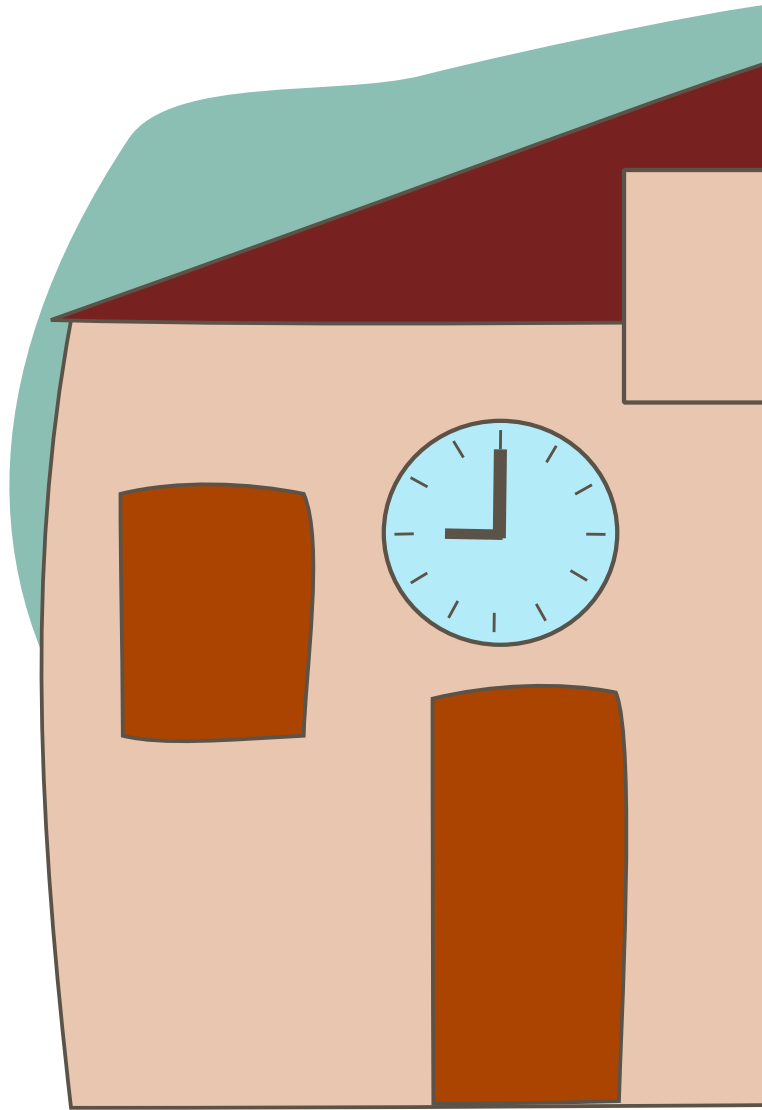

This one is a
sparrow.

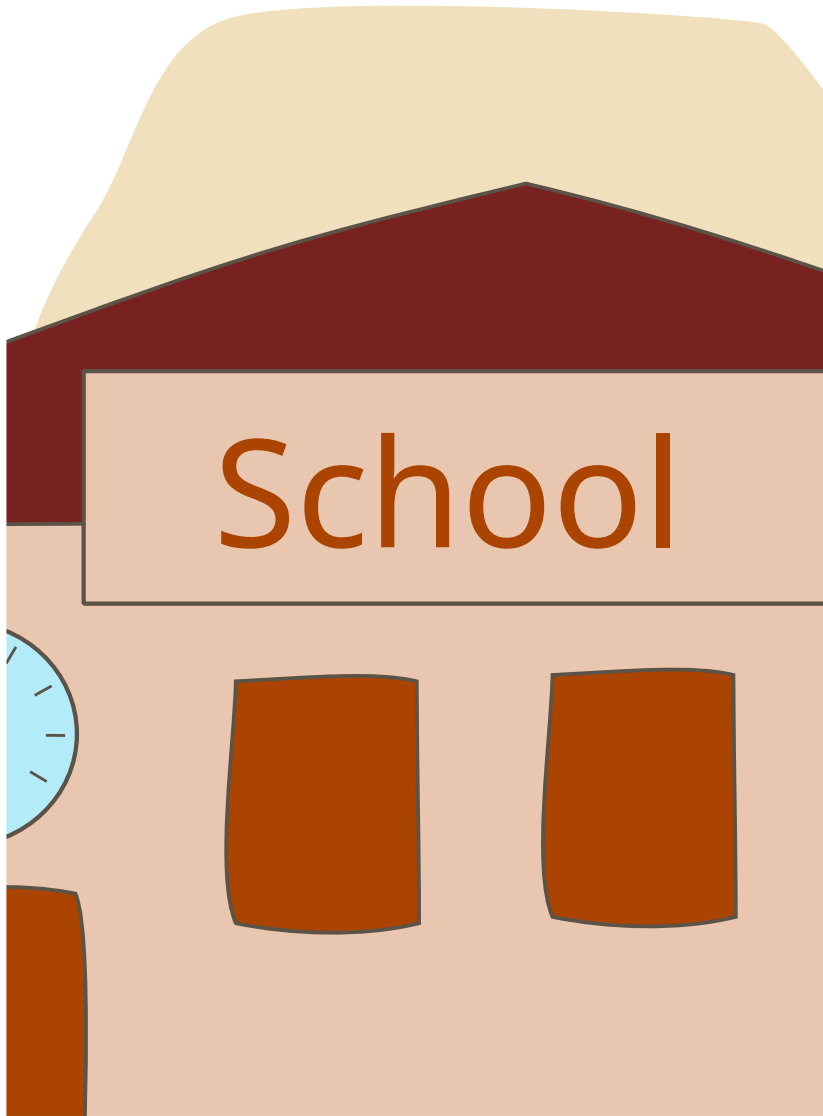

And this one, a
robin.

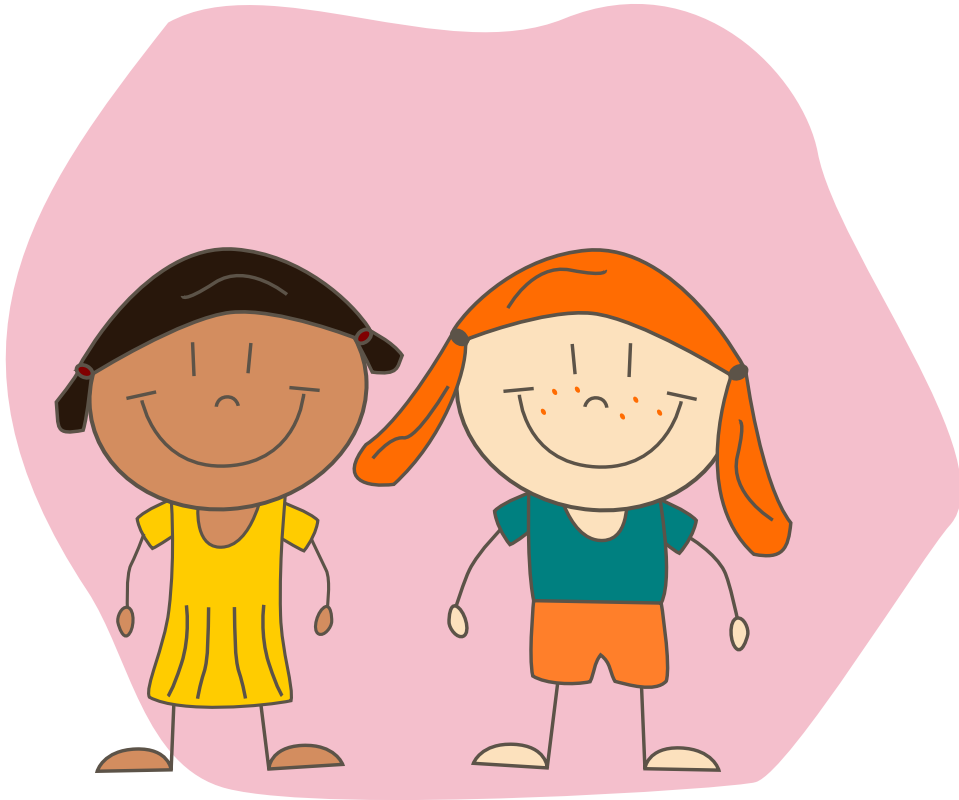

Oh look, the
beautiful coal
tit!

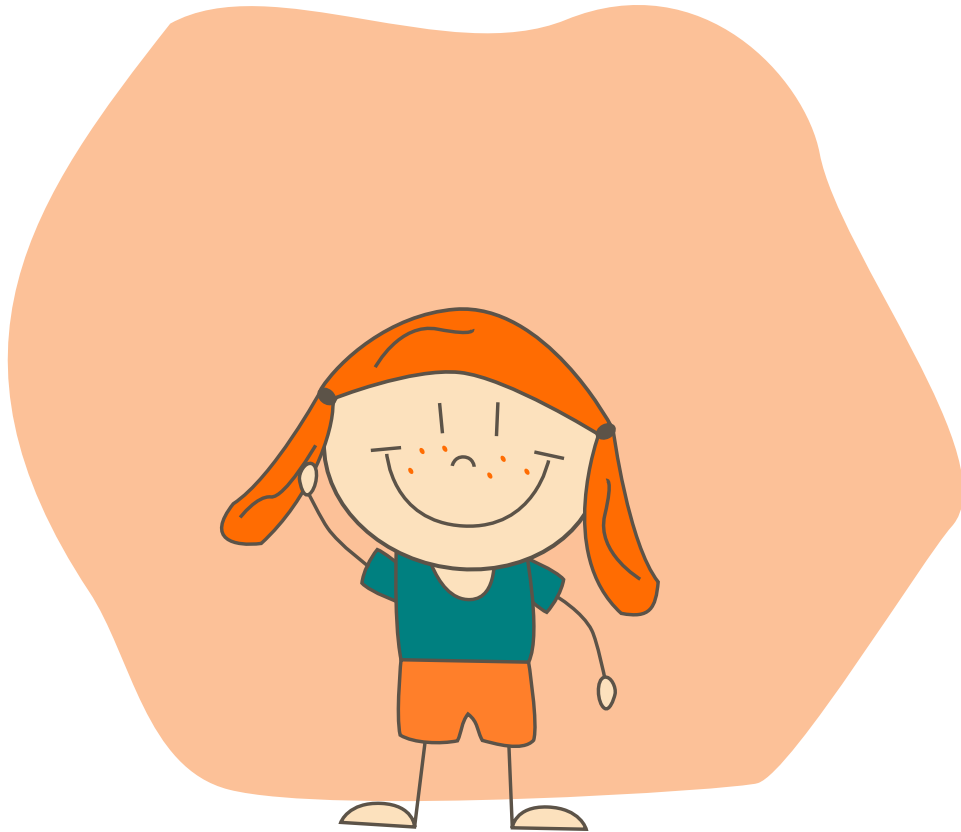

Time flies!

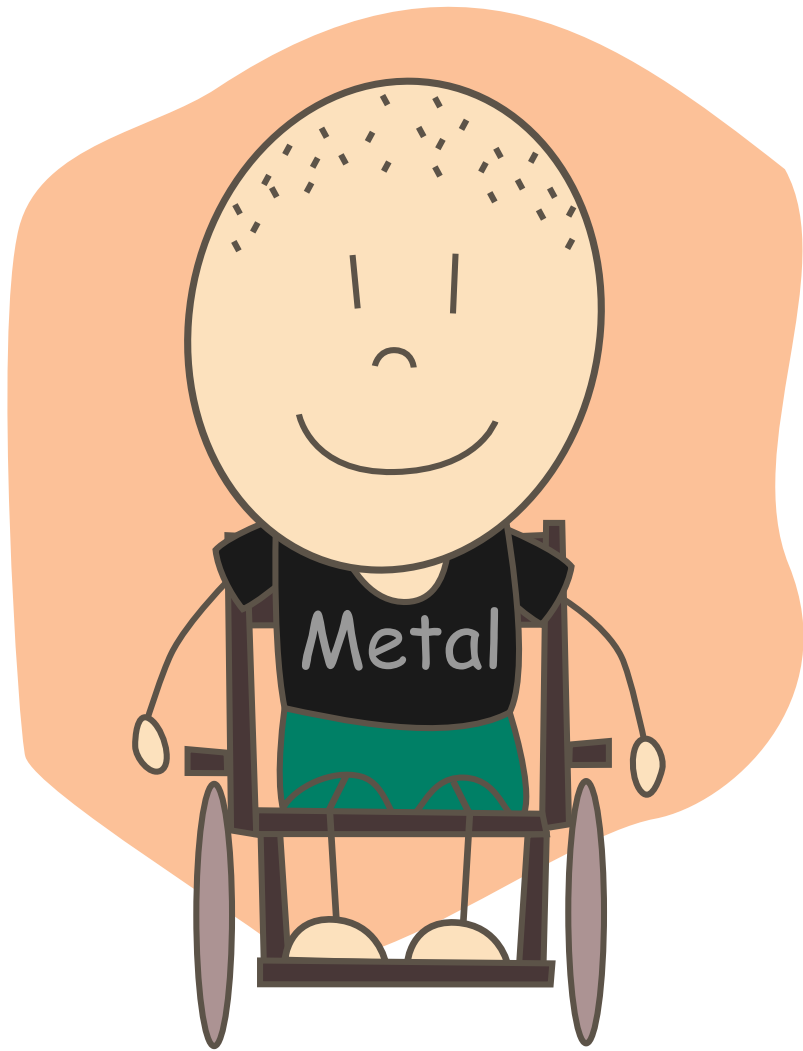

We have
already arrived
at school.

Mary sees Saïda,
her best friend.

Mary says
goodbye to her
daddy and
rejoices,

because this
afternoon, her
daddy is
coming to pick
her up from
school!
